

NAVE NEWELL EXPERT PRESENTS THE FACTS ON SEWAGE REGULATIONS IN PA: WHAT'S CHANGING AND WHEN

Nave Newell's DEP expert, Maria Goman, joined Susan Ahern of Evans Mill Environmental in a presentation to the Chester County Engineers on Thursday, July 17th. The presentation was given at the organization's General Meeting and highlighted the proposed Act 537 Sewage Regulation/Policy Changes and the potential impact they will have on site design and engineering.
